

## South King County Projects Update

---

*Edition 97, June 27, 2006*

### In this issue:

- South King County traffic closures this week
- Use caution when driving shifted I-5 lanes in Federal Way

## South King County traffic closures this week

### Interstate 5, Federal Way

Tuesday through Thursday nights [expect closures](#) of up to three lanes in each direction and closures of ramps at the I-5/SR 18 interchange as crews shift lanes and make pavement improvements on the I-5 widening project.

### State Route 18, Federal Way

Expect [nightly lane closures near I-5](#) this week as crews shift I-5 lanes for the I-5 widening project.

### State Route 99, South Seattle and Kent

Expect [daytime single lane closures](#) in both directions from SR 599 to S. Holden St. as crews install median cable barrier.

Expect [single lane closures](#) in both directions from S. 272<sup>nd</sup> St. to Kent-Des Moines Road for paving on a [city of Kent project](#) to widen the highway.

### State Route 161, Federal Way

Expect [daytime single lane closures](#) for striping and wall construction.

### State Route 167, Auburn to Renton

Monday through Thursday nights expect [closures of up to two northbound lanes](#) for grinding, paving and shifting lanes for the SR 167 widening project.

## Use caution when driving shifted I-5 lanes in Federal Way

Last Thursday night, crews shifted northbound I-5 lanes toward the median between S. 336<sup>th</sup> and S. 320<sup>th</sup> streets. This week we'll continue shifting the northbound lanes toward the median in segments from north to south. Each day northbound drivers will encounter a slightly different lane configuration. Please pay careful attention to the road when driving through this area. Read [last Friday's news release](#) for more information.
